- social constructivism, and reality 32
- social context, and self 25
- social mind 25–6
- solitude, true, Merton on 210
- soul
 Aquinas on 8
 body, dualism 105
 Buddhist no-soul doctrine 214–15
 constraining relationships 216, 217
 definition 218
 “empty” space 217, 219, 221
 as form of the body 7–9, 214, 218
 as future self 217
 and God 219
 as human systems 220
 information perspective 216,
 217–18, 219
 meaning, Western usage 206
 as nexus as relationships 220
 possibilities of 219, 221
 semiotic function 217
 spiritual dimension 206–207, 219–21
