Volume One Power, State and Inequality

Edited by ALAN SCOTT, University of Innsbruck, Austria, KATE NASH, Goldsmiths College, University of London, UK and ANNA MARIE SMITH, Cornell University, USA

This volume covers the key themes of political sociology as these have emerged in the course of the (sub-)discipline's development. The articles include discussion of a broad range of theoretical and conceptual issues and reflect the widening of the focus of political sociology from the nation-state and from models of power based on agents' wills and explicit agendas.
