Student Discounts on Gower Hardbacks

Do you want affordable Gower books for your students?

Do you want the freedom to choose the right books for your students?

Secure and easy access to the titles you have chosen...

Is there an extensive range of expert titles on offer?

So what is the next step? Turn over for all of the details...
Gower can work with you to create a website page especially for your university or department, containing books chosen by you at student-friendly prices. Your chosen titles will be visible on the page so all your students need to do is add the books they want to their shopping cart, it’s as easy as that.

Once the page is set up I will give you a direct link to the page and a unique discount code for you to pass onto your students. Enter the code at the checkout and the shopping basket will recalculate to include the discount.

It really is that simple.

So please browse our website of over 1000 leading edge business and professional books, written by experts in their field at www.gowerpublishing.com or contact me via my email address below for more information on how to take advantage of this fantastic offer.

I look forward to hearing from you.
